

ARCHITECT & SENIOR TECHNOLOGIST

RH Architects Inc. (RHA) is currently seeking a motivated and passionate **Intern Architect** or **Architect Technologist** to join our Vancouver office. You will have the opportunity to work on innovative and exciting projects across a variety of market sectors.

In this role, you will:

- Support architectural and integrated projects through developing design concepts, presentation material, and contract documentation
- Create a variety of material including sketches, renderings, models, presentation boards, material boards, graphics, details, sections, elevations, and schedules
- Assist in preparation of development permit, rezoning submission, building permit and construction drawing packages
- Assist in preliminary code and by-law analysis
- Participate in client presentations and all consultants' meetings
- Coordinate consultant design and shop drawings.

You bring:

- Exceptional creativity, ability to think through design issues critically, knack for visual communication
- Well-rounded architecture experience in terms of exposure to a variety of building types and project stages
- Passion for design excellence
- Strong analytical and problem-solving skills.
- A high level of skill in current versions of Autocad, Revit/BIM, and sketch-up, photoshop considered a definite asset
- Ability to prioritize and multi-task in a fast-paced environment
- Completion of Architecture Science Degree or Architectural Technology Diploma Program

This opportunity is ideal for a collaborative and self-motivated individual capable of assuming increasing responsibility for both current and future projects and who, in particular, is interested in growing with the Firm.

We offer remote work opportunities, a competitive salary or the option to work on a contract basis. RHA provides employees with a year-end bonus that can be taken as employment income or applied to an RRSP. As well, there is a good extended Health package, and a Health Spending account plus allowance for sick days and personal days, and vacation time inline with work experience in the field. RHA is incorporated and there are opportunities for motivated candidates to become shareholders.

Please forward your resume and portfolio to info@rharchitects.ca. Website: <https://rharchitects.ca/> or contact Vincent or Heather at 604-669-6002.
